

Meet Our Medical Director...

Dr. Jonathon David Weiss

Dr. Weiss, seen here with former President Bill Clinton, is the Co-Founder and Director of Nations Healthcare, a £60 million turnover treatment centre company in the United Kingdom. As Medical Director he will be one of the company's principal expert medical resources in all matters including managed care.

Dr. Weiss earned a Bachelor's Degree from Harvard University and the University of Oxford, and his medical degree from the University of Chicago. He then completed a Program in Healthcare Administration from the University of Chicago.

"We're thrilled to have Dr. Weiss join our organization as our newest Medical Director," says Kevin Tremblay, Chief Executive Officer. "He brings a wealth of experience and enthusiasm to the position. We are excited about the prospect of enhancing our medical expertise with another great physician."
